

## DNA & Paternity Testing

CDT Wellness offers DNA Paternity Testing collections by appointment.

Our DNA paternity tests are completely confidential and accurate. Our DNA/paternity testing partner has provided paternity tests for thousands of customers, and is recognized as a leader in the science of DNA testing. We have a DNA test to help you find out the truth, regardless of your situation. Accuracy Industry wide, paternity tests are generated using as few as four markers, to as many as 16 markers. Our partner lab uses a 16 marker test that can achieve a probability of > 99.999%. Personal & Legal DNA Paternity Testing Determine who the father is.

Immigration DNA Paternity Testing Verify paternity to establish citizenship for VISA applications.

### Quick & Easy Collection

Collecting samples for DNA analysis is an easy and painless process. A sterile swab, similar to a Q-tip is rubbed on the inside of the cheek for 30 seconds, placed into an envelope and sent back to the lab for analysis.

Our friendly staff is on hand to answer any questions you might have. Set up an appointment today!
